

STIC ELITE - CROSS-DOOR STICKER TEMPLATE

Max design area 48" W x 18" H (1219 x 457 mm)

Document 48.25" x 18.25" (max design area plus 1/8" bleed on all sides)

- Bleed edge - extend artwork to here
- Cut line / max design area
- Safe area - 1/4" recommended (the guides set no number, only "away from cutline")
- 4" centre seam safety zone - keep critical content clear

Place artwork on the Artwork layer. Hide or delete the Guides layer before export.

Starter shapes layer (hidden) holds two die-cut outlines to trace.

Final cut shape may be any custom die-cut shape within the max design area.

RGB · 300 DPI · fonts outlined · images embedded or packaged.
