

STIC REACH - REAR DOOR STICKER TEMPLATE

Max design area 22" W x 18" H (559 x 457 mm)

Document 22.25" x 18.25" (max design area plus 1/8" bleed on all sides)

- Bleed edge - extend artwork to here
- Cut line / max design area
- Safe area - 1/4" recommended (the guides set no number, only "away from cutline")

Place artwork on the Artwork layer. Hide or delete the Guides layer before export.

Starter shapes layer (hidden) holds two die-cut outlines to trace.

Final cut shape may be any custom die-cut shape within the max design area.

RGB · 300 DPI · fonts outlined · images embedded or packaged.

22" W
